

Single-phase power

Single-phase panel: €58.30

Single-phase power installation: €75.00

Three-phase power

Following your participation in the fair, we would like to inform you that if you require three-phase power, the service will have to be quoted according to the kW required and must be requested by the beginning of September by emailing: ludovico.tereso@exposalao.pt

Costs:

Electrical power 10 kW - €55.21 + VAT

Electrical power 20 kW - €88.54 + VAT

Electrical power 40 kW - €127.80 + VAT

Electrical power 65 kW - €182.61 + VAT

Consumption: €2.70/m2

Note: When you arrive at your space, you will find the following electrical outlet on the floor:

Fêmea Trifásico 32A

Three-phase panels:

Three-phase panel 16A: €90.14

Three-phase panel 32A: €159.19

VAT at the legal rate in force is added to the amounts shown.
